Action Item: Job Descriptions

---

As you know, there are two open positions within the city that were previously filled by other employees. One was our Main Street Program person, who left for a nonprofit organization in Hampton, and another was in the Water Billing office that is being moved to the Executive Administrative Assistant.

As such, the positions need some refinement in their original roles, as these positions have evolved over time into different roles. The Main Street was an Economic Development Coordinator and is now proposed for Main Street Program Manager/Economic Development. This position is being kept at the current salary instead of the older 2005-level for encouragement of more experience personnel to step into this crucial role. The Water/Sewer Billing role is taking the existing "Utility Billing Clerk" and is separating into a "I and II" level position.

The Main Street draft has been sent for comment to the DDA and the Main Street Organization for comments. These have been incorporated into the position description, but the main focus is the need for an experienced person with Main Street / Better Hometown to step into this ongoing role.

**ORDINANCE NO. \_\_\_\_\_**

**AN ORDINANCE TO AMEND THE CITY OF LOCUST GROVE PERSONNEL POLICY; TO AMEND NO. 701 ENTITLED "THE PAY PLAN"; TO PROVIDE FOR CODIFICATION IN THE CITY OF LOCUST GROVE PERSONNEL POLICY; TO REPEAL CONFLICTING ORDINANCES; TO PROVIDE AN EFFECTIVE DATE; AND FOR OTHER PURPOSES**

**Job Title: Main Street Program Manager/Economic Development**

**Job Summary:** The primary purpose of this position is to coordinate economic development activities for the City including the Main Street program, Downtown Development Authority (DDA) area and Main Street and city special events.

**Major Duties:**

- Assists with the development and implementation of **strategies** to attract businesses to the Downtown Development Authority area;
- Insures compliance of Main Street program with the State/National program office(s);
- Maintains the City's efforts of the Four Point Approach in the development of and sustainability of the Locust Grove Main Street Program;
- Prepares reports, expenditures, purchasing, record keeping and inventory management, including a bimonthly activity sheet of projects, development activities, contacts with local business and government officials, and training hours;
- Composes all materials for use in print, media and the internet for promotions and communications with elected and appointed officials, and the general public;
- Attends city council meetings to regularly update council on the projects and activities within the Downtown Development Authority area and by the various boards and authorities (DDA, Historic Preservation Commission) charged with implementation of the downtown development authority mission.
- Maintains an inventory of downtown businesses and jobs created on computer, website, and social media; businesses sold or bought, assessment and opportunities for the DDA area with current building stock and/or properties;
- Coordinate and attend various city events (all Main Street, Locust Grove Events Committee, and regular City events) and ribbon cutting ceremonies, with key emphasis on visibility and public relations with the press and the general public;
- Works with public and private sector organizations to facilitate downtown improvements, including beautification, landscaping, street furnishings, and infrastructure;
- Coordinates with Chamber of Commerce on development activities within the DDA area and throughout the city;
- Works with the DDA and the Historic Preservation Commission on their duties for economic development and historic preservation.
- Writes grant applications and administers grants for necessary projects or programs;
- Helps build strong working relationships with appropriate public agencies;
- Attends conferences and training sessions and remains current with professional material;
- Performs other related duties as required.

**Knowledge required by the Position:**

- Knowledge of Federal and State Main Street Program principles and goals;
- Knowledge of general business principles;
- Knowledge of economic development and business retention and recruitment;
- Knowledge of the City's operations, personnel policy, zoning ordinances and land use plans;
- Skill in dealing with both public and private enterprises;
- Skill in operating modern office equipment;
- Skill in oral and written communication;
- Ability to network and develop relationships with real estate and site selection professionals;
- Ability to network and development ongoing relationships with existing businesses in the Downtown Development Authority area and throughout the city as needed;

- Ability to schedule, organize, and execute assigned tasks and understand and follow oral and written instructions;
- Ability to accurately record and transfer data from one source to another, and maintain strict confidentiality.
- Ability in interpretation of development codes, in particular for downtown development and historic preservation.

**Supervisory Controls:** This person works in the Administration Department under the direct supervision of the City Manager, but is semi-autonomous, meaning that, while the complexity may require independent tasks taken under generally accepted codes and methods, the person in this position should be accountable in detail for their time and efforts performing tasks.

**Guidelines:** Guidelines include land use laws, State and Federal laws, real estate law, City codes, construction codes, fire codes, and the Federal ADA. These guidelines require judgment, selection and interpretation in application.

**Complexity:** This position consists of varied analytical, supervisory and technical assistance tasks.

**Scope and Effect:** The purpose of this position is to assist in the development of the City. Successful performance helps ensure the orderly development of the City, affects the quality of economic opportunity for City residents, and affects the image of the City.

**Personal Contacts:** Contacts are typically with the general public, property owners, real estate developers, attorneys, architects, engineers, bankers, landscape architects, elected officials, and Local, State and Federal officials.

**Supervisory and Management Responsibility:** None, with the exception of self-management of their time, progress, and reporting of their efforts in conjunction with the needs of the Main Street Program.

**Minimum Requirements:**

Bachelor's degree in related field required; minimum of three (3) to five (5) years of professional experience in Economic Development field with particular experience with the Main Street or Better Hometown Program preferred; must possess valid State of Georgia driver's license; equivalent combination of education and experience.

**Job Title: Utility Billing Clerk**

**Job Summary:** This position is responsible for generating and processing water bills, payments and account information.

**Major Duties:**

- Process and print water bills generated from meter readings; distribute via US mail to City residents;
- Collect and process bill payments; process overdue accounts and arrange for cut off and reconnection of service;
- Receive and process, in a timely manner, requests for new water and garbage service;
- Calculate water and sewer impact fees to be applied;
- Receive and address customer concerns, complaints and suggestions regarding water, sewer and sanitation service;
- Monitors current utility accounts on an on-going basis to spot fluctuations that may warrant further attention;
- Types documents, forms and other correspondences as necessary;
- Performs other duties as required.

**Knowledge Required by the Position:**

- Knowledge of basic accounting principles;
- Knowledge of Georgia record maintenance and retention laws;
- Knowledge of Modern organization and management principles;
- Knowledge of office procedures and equipment;
- Knowledge of public relations techniques;
- Knowledge of City codes dealing with utilities;
- Skill in operating modern office equipment;
- Ability to communicate clearly, concisely, and effectively, verbally and in writing;
- Ability to understand and follow oral and written instructions;
- Ability to apply bookkeeping principles to the maintenance of standard fiscal and accounting records;
- Ability to make arithmetic computations and tabulations rapidly and accurately;
- Ability to maintain strict confidentiality;
- Ability to work cooperatively with other City employees and the public.

**Supervisory Controls:** Work is assigned by the City Manager in terms of overall city goals and objectives.

**Guidelines:** Guidelines include the City fiscal and purchasing policies and procedures and the Personnel Policy and Procedures Manual as well as local, state and federal law for records retention and management.

**Complexity:** The work consists of a variety of both routine office tasks along with complex tasks involving travel, training, and bid processes.

**Scope and Effect:** The purpose of this position is to receive and process various utility payments.

**Personal Contacts:** Contacts are typically with co-workers and the general public.

**Purpose of Contacts:** Contacts are typically to give and exchange information and provide services.

**Physical Demands:** The work is typically performed with the employee sitting at a desk. The employee uses tools or equipment requiring dexterity.

**Work Environment:** The work is typically performed in an office.

**Supervisory and Management Responsibility:** None.

**Minimum Qualifications:**

High school diploma or equivalent; one (1) to three (3) years experience in general office, customer service, finance or related field; equivalent combination of education and experience.

Completion of competency in city Incode Billing and water/sewer operations required for consideration for Level II.

Action Item: Transient Selling - Peddlers

---

As you know, Staff is working on revisions to the Transient Selling – Peddler – Portable Eating Establishment policies, as the regulations appear to be too permissive in light of our ongoing goals to improve the imagability of the city.

We are working on more severe limitations on these establishments to certain locations and time periods. Most likely we would limit vendors to special events and exclusions to certain corridors (or alternatives such as minimum lot areas and parking requirements).

Any comments would be appreciated so we can begin review of similar jurisdictions and regulations for revisions.

Ethics Committee reappointments. We have no one other than Don Mason currently on the Ethics Committee. There is interest from one of the original appointees (Dianne Gearon). Another appointee might be willing to serve since the elections from 2012 removed any potential conflicts of interest.

It is necessary to have this board appointed and operating even though there may be little immediate need for them in terms of complaints, etc.

Action Item: LMIG Check from GDOT

---

Attached is a check totalling \$56,698.86 as the City of Locust Grove portion of LMIG. This money will be matched as part of PE of the Tanger Boulevard pavement rehabilitation project and intersection improvement at Indian Creek Road. Total estimated cost is between \$125,000 to \$140,000, so the required 30% match is more than being met. As you may recall, the failure of the T-SPLOST vote raised the requirement for matching from 20% to 30% in the Atlanta Region.

The RFP will be let within the next few months which was authorized in Spring of 2012 but postponed due to more pressing city matters, including LOST negotiations and outcome of T-SPLOST.

Action Item: Street Intersection Lighting

As you know, there are several intersections in the city that do not have street lighting that are higher-volume intersections for the traveling public through and within the city limits. We have not added many street lights in the past few years due to budgetary constraints; however, there are some some newer or more pressing intersections that may be better suited for the public good to illuminate. The following are suggested for FY 2013:

1. Market Place Boulevard and Hwy 42. Georgia Power. Already received quote and have certain infrastructure in place. Annual cost would be \$842.64.
2. Tanger Boulevard and Hwy 42. Central GA EMC. Quote being requested. Partial illumination to show location of concrete median, etc.
3. Locust Road and Hwy 42. Central GA EMC. Another partial intersection in terms of city limits. May want to explore with Henry County for their participation in a joint effort to improve that intersection with GaDOT.

Estimated total costs would be in the range of \$2,500 - \$4,000 annually if there are no major infrastructure items required.

Location Maps are attached on the reverse side

Dear Mr. Young,

Here is the installation and lease information for adding new streetlights at the intersection of Highway 42 and Market Place Blvd (on either side of the entrance/exit to Highway 42 from market Place Blvd). This information is based upon my site visit to the area and here are my recommendations.

**Scope of the Work:**

Install:           2-400 watt High Pressure Sodium Off Roadway Flood Fixtures  
                      275 feet of overhead service wire

Monthly Lease= \$70.22 (\$35.11 each per tariff rate)

The monthly lease includes installation, materials, energy and maintenance. I have included the contract that will need to be signed before we can order the materials and schedule the installation. Please feel free to contact me if you have any questions at (770) 603-5353.

Sincerely,

1. **Lighting Equipment Lease.** Georgia Power Company ("GPC") will lease to Customer the "Equipment" described on Page 1 of this Lease Agreement ("Agreement") for use at the "Premises" (the "Service Address" shown on Page 1) and will provide electric service to operate the Equipment. Customer grants a license and right of access to GPC (and to GPC's representatives and contractors) to enter the Premises to install, connect, inspect, maintain, test, replace, repair, or remove the Equipment; to remove or disconnect pre-existing equipment as noted; to provide electric service for the Equipment; or to conduct any other Agreement-related activity (collectively, the "GPC Activities"). Customer acknowledges that the Equipment, though attached to real property, will always remain the exclusive personal property of GPC and that GPC may remove the Equipment when this Agreement ends. Customer also acknowledges that regulatory change during the Agreement term may require GPC to modify or replace some Equipment.
2. **Term.** The "Initial Term" of this Agreement is the period stated on Page 1, calculated from the date of the first monthly bill. After the initial Term, the Agreement will automatically renew on a month-to-month basis until terminated by either Customer or GPC by providing written notice of intent to terminate to the other party at least 30 days before the desired termination date. GPC's address for notice is 1790 Montreal Circle, Tucker, GA 30084-6801; Customer's address for notice is the Mailing Address shown on Page 1.
3. **Payment.** GPC will invoice Customer per the terms stated on Page 1. Customer acknowledges that the electric service charge will vary as dictated by the Georgia Public Service Commission. Customer agrees to pay the amount billed by the due date (20 days after billing date). If there is a balance outstanding past the due date, Customer agrees to also pay a 1.5% late fee on the unpaid balance and also acknowledges that Customer may be required to pay a deposit of up to two times the Estimated Monthly Charge in order to continue service. CUSTOMER ACKNOWLEDGES THAT GPC MAKES NO REPRESENTATION OR WARRANTY REGARDING TREATMENT OF THIS TRANSACTION BY THE INTERNAL REVENUE SERVICE OR THE STATUS OF THIS AGREEMENT UNDER ANY FEDERAL OR STATE TAX LAW; CUSTOMER ENTERS INTO THIS AGREEMENT IN SOLE RELIANCE UPON CUSTOMER'S OWN ADVISORS.
4. **Equipment Protection.** Throughout this Agreement's term, Customer will inform its personnel (and any contractor or person performing construction at the Premises or digging near the Equipment) of the Equipment's presence. Either Customer or the other party must provide notices and locate requests to the Georgia Utilities Protection Center and must coordinate all activities with the Utilities Protection Center and with all utility facility owners or operators as required by the then-current Georgia Utility Facility Protection Act (O.C.G.A. § 25-9-1 et seq.) or High-voltage Safety Act (O.C.G.A. § 46-3-30 et seq.). As between Customer and GPC, Customer will bear all costs arising from failure to comply with these laws or for Equipment damage caused by anyone other than GPC (or GPC's representatives or contractors). IF THE EQUIPMENT IS DAMAGED, CUSTOMER WILL REPORT THE DAMAGE TO GPC AS SOON AS POSSIBLE BY CALLING (888) 660-5890.
5. **Maintenance.** During this Agreement's term, GPC will maintain the Equipment and will bear the cost of routine repair or replacement. Customer must notify GPC of any need for Equipment repair by either calling (888) 660-5890 or reporting the need online (<http://outdoorlighting.georgiapower.com>). If the Equipment damage was caused by Customer or a third party, Customer will reimburse GPC for the repair or replacement cost.
6. **Safety Damages.** CUSTOMER ACKNOWLEDGES SOLE RESPONSIBILITY FOR THE SAFETY OF THE PREMISES AND ACKNOWLEDGES THAT GPC NEITHER HAS, NOR ASSUMES, ANY OBLIGATION TO ENSURE THE PREMISES' SAFETY. GPC MAKES NO COVENANT, WARRANTY, OR REPRESENTATION OF ANY KIND (INCLUDING WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR OF MERCHANTABILITY) REGARDING THE EQUIPMENT OR ANY GPC ACTIVITY UNDER THIS AGREEMENT. Customer will not be entitled to indirect or consequential damages from GPC of any kind (including loss of revenue, loss of actual or anticipated profits, loss of capital costs, loss of business reputation, or punitive damages) arising from any damage or delay involving the Equipment or this Agreement.
7. **Indemnity.** To the fullest extent allowed by law, Customer agrees to indemnify, defend (if requested by GPC), and hold harmless GPC and its affiliates and contractors (and their officers, directors, employees, representatives, and agents) from and against any claim, demand, damage, expense (including attorneys' fees and court costs), action, proceeding, judgment, penalty, fine, cost, or other liability (whether based upon tort, breach of contract, strict liability, equity, or otherwise) of any kind or nature for bodily injury (including death) to persons, damage to real or personal property (including loss of use), monetary damage, or equitable relief caused by or arising out of any act or omission of Customer involving this Agreement, the Equipment, or the Premises, in whatever manner caused and regardless of whether caused by or arising out of the joint, concurrent, or contributory (but not sole) negligence of GPC, any other person indemnified under this Agreement, or any other person not a party to this Agreement.
8. **Default.** Customer will be in default if any amount owed under this Agreement is not paid within 45 days of billing. GPC's waiver of any past default will not waive any other default. If default occurs, GPC may, at its discretion, immediately terminate this Agreement, collect all past due amounts and all amounts due for the Equipment during the Agreement's remaining term, remove the Equipment from the Premises, and seek any other available remedy.
9. **Entire Agreement.** This Agreement contains the parties' entire agreement relating to the Equipment and replaces any prior agreement, written or oral. This Agreement may be modified only by an amendment signed by each party, except that updated contact information (e.g., address, phone, website) may be provided at any time by written notice to the other party. This Agreement will be governed by Georgia law. If any provision is ruled invalid or unenforceable, the Agreement as a whole will not be affected. In this Agreement, "including" means "including, but not limited to."
10. **Pole Attachments.** If Customer desires to attach anything to any Equipment (poles, light fixtures, etc.), Customer must first obtain GPC's written permission. Customer must call GPC Lighting Services Business Unit at 1-888-768-8458 to obtain the proper pole attachment authorization.
11. **Georgia Security, Immigration, and Compliance Act (Applicable Only if Customer is a Georgia Governmental Entity).** Customer is a "public employer" as defined by O.C.G.A. § 13-10-91 and this Agreement is a contract for physical performance of services within the State of Georgia. Compliance with the requirements of O.C.G.A. § 13-10-91 and Rule 300-10-1-.02 is a condition of this Agreement and is mandatory. GPC's compliance with O.C.G.A. § 13-10-91 and Rule 300-10-1-.02 will be attested by execution of the contractor's affidavit attached as Exhibit "1" and made a part of this Agreement. GPC agrees that, if it employs or contracts with any subcontractor(s) in connection with this Agreement, GPC will secure from each subcontractor attestation of the subcontractor's compliance with O.C.G.A. § 13-10-91 and Rule 300-10-1-.02 by execution of a subcontractor's affidavit in the form attached as Exhibit "2." The affidavit will become a part of the GPC/subcontractor agreement and GPC will maintain records of the affidavits for inspection by Customer.
12. **Customer Representations.** Customer represents to GPC that: (i) Customer is expressly authorized by all Premises owners (and any other party with rights in the Premises) to enter into this Agreement and to authorize the GPC Activities (including the use of vehicles, equipment, tools, and materials as necessary); (ii) all Premises property lines are clearly and accurately marked; and (iii) the Premises' final grade will vary no more than six inches from the grade existing at the time of Equipment installation.
  - (a) **Customer Duty.** If GPC agrees to allow Customer to perform any part of the Equipment installation (including trenching) itself or through a third party, Customer warrants that its work will meet GPC's installation specifications (which will be provided to Customer and are incorporated by this reference). Customer will bear all reasonable additional costs arising from Customer's non-compliance with GPC's specifications or lack of timely (i.e., 10 days) notice to GPC that GPC's portion of the Equipment installation can commence.
  - (b) **Underground Facilities/Obstructions.** Because GPC's Activities may require excavation or digging, Customer acknowledges that Customer must mark all underground obstructions and private utilities and facilities (e.g., gas lines, water lines, sewer lines, irrigation facilities, low voltage data or communication cables or lines, etc.) at the Premises. Customer warrants either that: (i) all underground obstructions and private utilities and facilities have been marked or will be marked before GPC commences Equipment installation or other GPC Activities involving excavation or digging; or (ii) there are no underground obstructions or private utilities or facilities at the Premises.
  - (c) **Unforeseen Conditions.** If Customer fails to properly mark or identify a private utility or facility or other underground obstruction, and damage occurs in connection with GPC's Activities, Customer agrees that, as between Customer and GPC, Customer will bear sole responsibility and that GPC will have no liability for any damage or resulting delay. Customer also acknowledges that the estimated charges shown on Page 1 include no allowance for any subsurface rock, wetlands, underground stream, buried waste, unsuitable or unstable soil, underground obstruction, archeological artifact, burial ground, threatened or endangered species, hazardous substance, etc. not properly identified and marked by Customer ("Unforeseen Condition"). If an Unforeseen Condition is encountered, GPC, in its sole discretion, may stop all GPC Activity until Customer either remedies the Unforeseen Condition or agrees to reimburse all GPC expenses arising from the Unforeseen Condition. Customer will bear all costs of any Equipment modification or change requested by Customer or dictated by Unforeseen Conditions or circumstances outside GPC's control.

Action Item: Stop Sign removal at Club Dr. and Jackson Street

---

Staff is preparing a resolution for your approval to remove the three-way stop at Jackson Street and Club Drive in favor of the single stop for Club Drive only.

I met with a representative of HC-DOT to examine any sight distance problems as well as placement of stop bars and such in that location.

The recommendation is to place signs alerting travelers to the upcoming reconfiguration (minimum of 2 weeks), placement of a new stop bar at Club Drive and the removal ("darkening") of the existing faded stop bars on the Jackson Street approaches.

Recommend approval so we may order signs and schedule for the painting. We will also be posting an advisory on the Club Drive stop sign that traffic does not stop.

Action Item: SPLOST IV

---

SPLOST IV is being discussed by the BOC for a vote this general election to continue the success of SPLOST III for the cities and the county.

A committee is currently being formed as required for the formulation of a project listing. It is hoped that we will be in discussions shortly for a liaison with the SPLOST IV committee and the formulation of a new project list.

Action Item: Municipal Complex Lighting

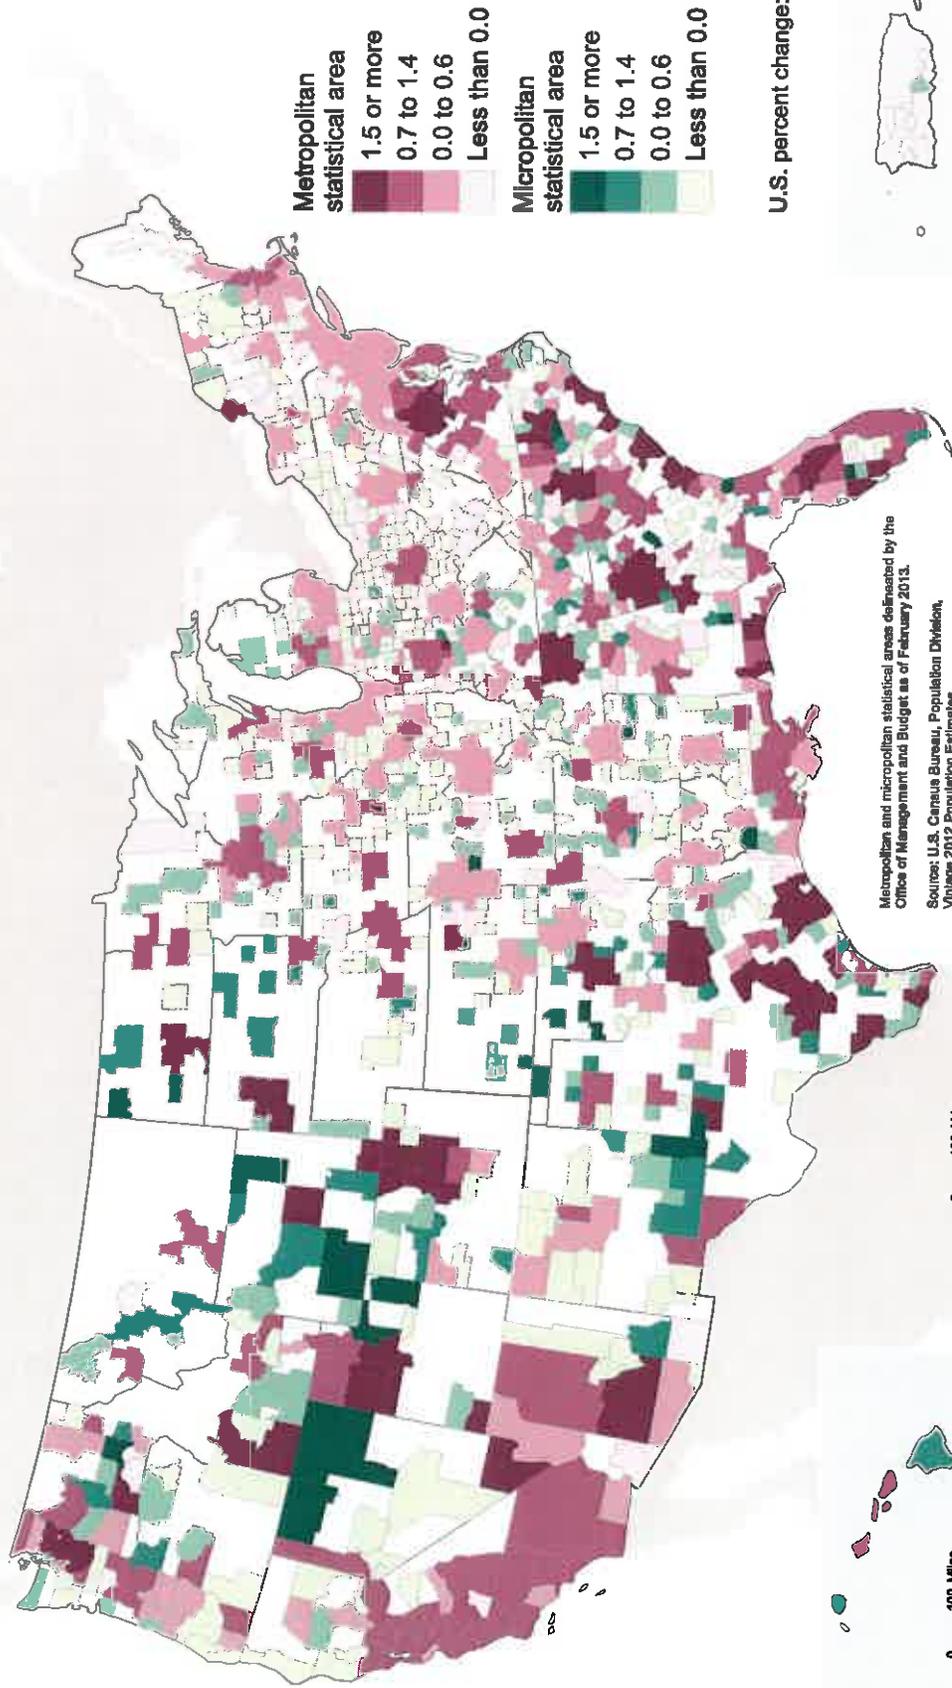

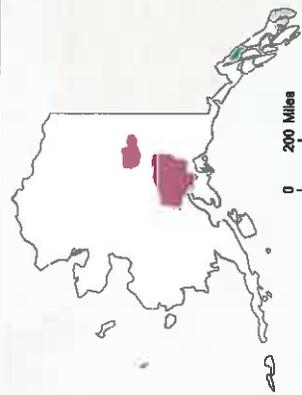

The Municipal Complex has several dark areas during the evening, especially after the Daylight Savings Time period ends for public meetings and for folks wishing to walk around city hall during the evening hours.

Lighting was placed in 2007 and could be enhanced for better security and visibility of city hall during the evening. We would have to work with Georgia Power and their newest staff person to develop a plan for proper illumination as well as a proposed cost estimate.

A location map is located on the reverse side. The portion in question is more on the playground side and lower part of the parking lot where the Municipal Court/Council Chamber is located as well as the walking trail.
